Stitching Our Stories • Celebrating 250 Years • Coming Together as One

What We're Creating

How to Participate

- Pick up a quilt square at Glatfelter Memorial Library
 - Decorate it with fabric, stitching, paint, or meaningful symbols (the patriotic materials, paint and sewing machines will be at the library to be used)
 - Encourage friends, families, clubs, and youth groups to join in

Why This Quilt Matters

This quilt honors 250 years of American spirit—our shared history, our diverse voices, and the strength we find in unity. When we create together, we grow together.
